

Wednesday 16th September.
To use subheadings to separate information. I have

STONE AGE

LIFE

FOOD

They gathered good sick berries and nuts. They have to be careful because some berries are poisonous. Some times they ate mushrooms.

TOOLS

They made tools out of flint.
They used them as weapons.

Cave

Paintings

They burned a twig and painted on the cave. They couldn't write so they just had to paint it.

MOVING ON

When it's winter they move on to a warmer place.
