

Wednesday September

Lo: To use sub readings to separate information

# STONE AGE LIFE

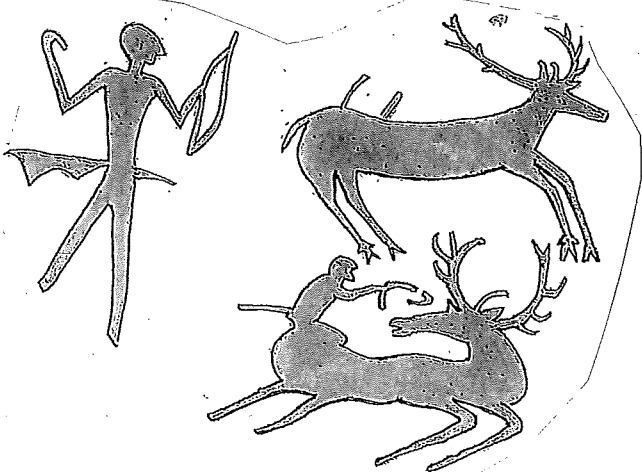

## Food

Stone Age people were hunters and gatherers. Girls got nuts, fruit, berries and leaves. Men hunted for meat like deer, wild boars and fish and birds. They cook their food over a fire or a hot stone.

## Cave Painting

They painted pictures of their life on cave walls. They used brown, black and red.

Yes I have met Lo.

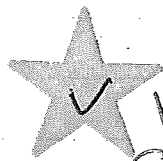

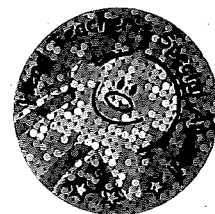

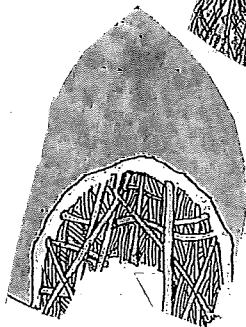

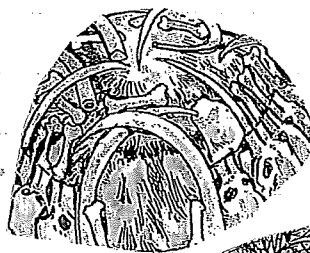

## tools

They made spears and bows  
 They made spears at flint  
 They made tools to catch animals  
 The flint was very sharp  
 They use it to get food

## Homes

They made teepees  
 They made homes at banks  
 made and grass  
 Some times they live in  
 caves.

Very clear work  
 Syd. You've worked  
 hard on this.

## Clothes

They wore animals skin and  
 furs.
