

The Great Fight

His hair lifted up and he was shivering because he was scared. "AAAAhh!!" he shouted running to his bed. Bun-Bum ^{Atomic sister} woke up she started screaming too. They walked out of the cave and noise came again. The cave was nearly falling apart. Atomic and Bun-Bum ran away and went to the volcano. But they found out that it was the super volcano that was making the noise. The volcano was exploding. "Oh NO!" screamed Atomic "run away". "Come on Bun-Bum fast" called Atomic.
