Dear Sion Mission,

Thank you so much for visiting us last week!
Thank you for all the effort you had put
in. It was an experience of a life time.

I have learnt more about Jesus and God and
I have thought more deeply into my religion.
In a week I learnt more in R.E. than I
have my entire life. On the Monday after I
really missed you.

On the first day you came I wasn't sure
what to imagine but every day after that
I was so excited to see you again. I was so
sad to see you go because I had a great
and fun time. Luckily I saw you last week
at Youth group. Hope to see you again!

Best wishes,

Emily Dingwall.
