

Dear Sion Mission

Thank you for coming

to our school last week. My favourite bit was the canals

because they were all ways gited over the curtid creams. I felt

closer to God and how I can be better and riser. I really

loved it when you were here as soon as I watched into the

hall I felt special. Thank you all of you for coming. Assemblies

are boring now but you made the assemblies fun. I also

liked it when Julia sprad the water gun at us that

wasnt like a normal assembly it was fun and I

had a great time. I liked the Europe water shot.

You made me now every thing about God and how God

loves all of us I also liked the sicket agent and all

of you were in that one I loved that one I also really

liked all the sings and the card with made joy

and the last day you mad us solve this thing

and got us up and gave us that thing like the skit

that harison got. At the end was amazing I loved

petroning in front of people in church I liked

harison and chess with the money and the flags

and every thing especially the usifer I still remember

the achion of the song. That week I had the best

time of my life I loved all of it and every thing is

normal but I miss you and I know all the spirit you

with love and part is thank you

BEST WISHES

from Gregory
