Dear Sion Mission

I'm writing to you to thank you. I appreciate that you came to our school. You have taught me so much more than I knew about Jesus.

Andy, Mila, Jules and Violeta. You have taught me the meaning of joy, new songs and to smile and to have fun. You help me to see the true meaning of life. Just do the right thing and too enjoy life.

There's no one better at teaching people about God than you. Thank you Sion Mission.

Yours sincerely
