+ Dear Jules, Andy, Mila and Violeta,

○ I am writing to you for how great it has been last week! You have made me really think about JOY, Jesus first Others second Yourself last. It's made me come more closer to God and how lucky we are. I also liked the Adoration it gave me time in peace and to pray.

+ I still sing all the songs you taught us everyday!

○ Are the camels behaving themselves? We all definitely loved the camels and wonky Donkey!

+ So thank-you once again for your plays.

Yours Sincerely
