Dear Sion Mission,

Thank You for the best week ever. Thank You for helping us and helping us to talk with God and Jesus more and getting to know them. Violetta, thank you for teaching us the dance I can't stop thinking about it and I can't stop dancing it either. It was the best dance for me. Thank you Andy for teaching us the best songs ever to us. It was amazing. Jewels, thank you for introducing the Camels and Donkey they were really funny and thank you for letting us know about the people in danger. Mila, thank you for helping us and you would be a great actor one day. Thank You for coming to our school you have helped us interact more with God and Jesus.

Best wishes.

Valery.
