Dear Sion Mission,

I am writing to thank you for the wonderful week you spent with our school, teaching us all about God's love.

I really enjoyed your camels, Engel and Bert. They were so funny! The performance we did was so fun, watching all the other classes do their performances and teaching us about God at the same time.

I really hope you enjoyed teaching us and that you will come back every year for us to have the same amount of fun we had this year.

Yours Sincerley,
Anna
McGarrick
