

Monday 11th January

LO to separate facts using subheading and paragraphs.

Famous Landmarks

There are loads of famous landmarks in Italy, like the Colosseum and the Leaning tower of Pisa. The leaning tower of Pisa was built with a poor foundation. The Colosseum is where gladiators used to fight.

Venice

In Venice there are no cars because

Venice has no motor ways. Most tourists go by gondola and other people go by Taxi boat. There is a bridge called the bridge of sighs. Although Venice is mostly water there are also pavements.

In February they have a big carnival.

What sort of food is in Italy?

In Italy there are also lots of food. They are very famous for their Pizza. Italy The Margherita Pizza was first made. They are also famous for cheese, pasta, olives, wine and ice-cream.

Pasta

cheese

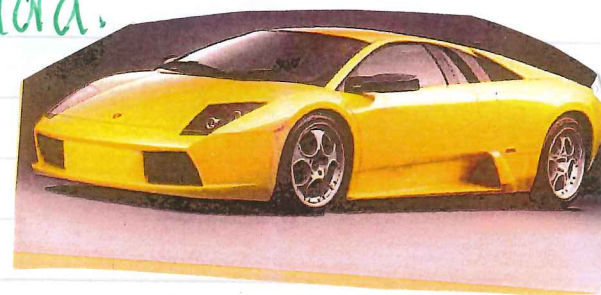

Mountains

On the mountains of Italy it snows a lot so you can go skiing in the Alps.

In the Alps there is Monte Bianco and it's the highest mountain in Italy. It is 4807m.

Excellent work Flora.

Cars

Italy are famous for their cars. There are Lamborghini they are orange and red. There are also Ferraris which are red.
