

Dragons in viking time

In the how to train your dragon book there are lots of clues and facts that dragons could be real in viking time

Where the author got her ideas

Cressida Cowell went on a island when she was a kid ~~and~~ she explored the island and went on a boat across a river. Then she started to fish and she read old Scottish tales. And she became the author of how to train your dragon books.

How dragons behave.

Some dragons can be pet and you are the person to pet it. Some dragon are good and safe but some can be bad and angry at you so what ever you do don't fight it.

The most dangerous things about dragons.

Dragons are dangerous so you have to run away because they can attack you. Some have spiky tails so they can wake you and HUNT for you! Obviously they can breath fire and BURN YOU!

What are Dragons like
 Dragons can be good if you pet them.
 If the dragon is bad then, pet him (or
 her)! They HATE snow a lot.
