

Monday 17th October 2016

To - To write a report about the year 6 Retreat Day for

the school website.

On the 14th October Year 6 went to OLA for a retreat Day
Led by the Sion Mission. We were joined by St. Ann's
RC primary school and OLA Junior school. A retreat day
is a day when we celebrate God, Jesus and the Holy
Spirit.

First, we got into buddy groups. Most groups had two
children from each school and, because of this we were
able to make good new friends.

Next, the Sion Mission told us about the subject which
was "Thank big, start small." Then two corners argued about
all the different days of mixing the words up, which was
very confusing. After that, they gave each buddy group
2 puzzle pieces and then everyone put them together
to make a big puzzle. But one piece was missing.

We assumed it was because one child was absent.

After break, we came back in and watched a video
of a boy who had to make a big difference. So
he decided he would help three people who would
each help three people until everyone is content.

Next, we wrote our names on a cardbord about
and then someone else would have to write
about that person they had picked. Someone wrote
something heart-warming about me. We compared our
selves to three things we might not enjoy doing
to make a difference.

Well done, Natalie

After lunch, we drew around our hands and people
wrote what they thought of us on them. We also wrote
two films, one for girls and one for boys. In the film,
it told us both we are "awesome" and that we
could not let anyone tell us differently.

NS Please write me 3 sentences with the
word which in them.

I went to the shop which was around the corner.
I wanted to go to my friends house which was far away.
I could get my friends house which was far away.
