Royal River

Hello! I'm the
River Thames.
I reflect shadows
of happy children
playing in the
sunshine.

Sometimes
fishermen
come to
fish in me
but I get
quite lonely
without the
fish! Treasure
chests float
around in my
murky deeps.

I flow calmly
and leisurely.

I'm as gentle
as a kitten when
the moonlight
shimmers on
me. When I'm
angry, huge
waves make sk
all the happiness
and I become angry.
