

# **Flying Machine            (solo)**

## **Introduction    4 bars**

### **Verse 1**

I don't want to wait until I've reached sixteen,  
I only want a simple little flying machine  
I wouldn't need to have a fancy one that goes too far,  
Just something inexpensive that will fly to a star!

### **Verse 2**

Never mind a new one with a dazzling shine,  
A nice low-mileage magnacraft will do me just fine!  
Now I don't care how old it is, or if it's red or blue,  
Just one that goes a million miles a minute will do!

### **Middle 8**

Please Dad! Give me one little flying machine, that's all!  
I won't ask for anything else,  
Until I'm over forty-four!

### **Verse 3**

I'd like to make an offer Dad, now please don't laugh!  
But you can cut my next year's pocket money in half!  
Now I don't want to drive a car or float a submarine,  
Just give me your basic little flying machine!

### **Coda**

A simple little flying machine!
